

Office Pod

Data Sheet

evolutiondome™

Product Variations

Evolution Dome presents a brand new range of high performance, beautifully designed, and practical temporary event structures.

Light weight, easy to setup and remove each of the indoor range comes in its own storage bag and includes everything that is required for use. The fans provided are designed to be low noise. Creatively designed, Evolution Dome products are the worldwide leader in inflatable structures.

The Evolution Dome Office Pod range includes:

Office Pod System

The range includes a very simple to install meeting point or exhibition hub for indoor use, made from strong rip stop nylon with taped seams. Superb curved design, extremely quick to inflate and comes with a storage bag, ground sheet and fan.

Available in the following sizes:

3m wide x 4m deep x 2.4m tall

4m wide x 3m deep x 2.4m tall

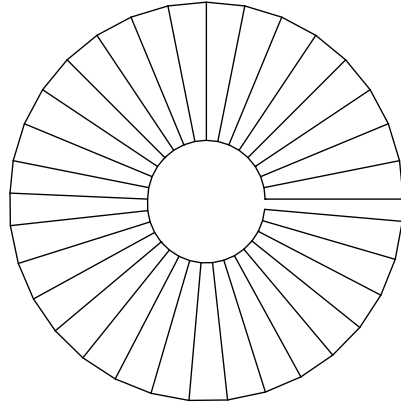

5m wide x 4m deep x 2.4m tall

6m wide x 5m deep x 2.4m tall

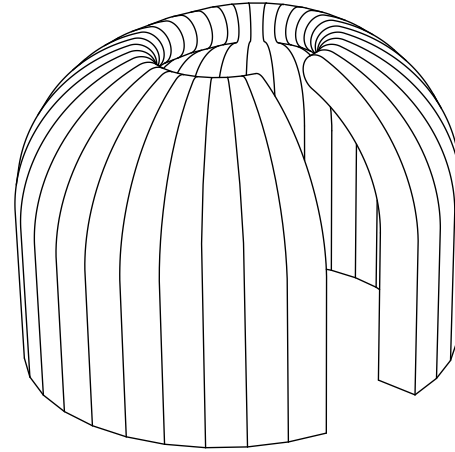

The Evolution Dome range of structures can be tailored to suit your event needs, we offer branding with options including direct print and replaceable printed covers.

Product specification (3x3m)

UK PACKAGE

- 1 x Structure, 1 x Packing Bag, 1 x Protection Ground Sheet, 1 x 1.5amp fan.

STRUCTURE

- Packed Size: • 530mm x 520mm x 560mm (est.)
- Packed Weight: • 20kg (est.)
- Inflated Size: • External - L3m x W3m x H2.4m
• Internal - L2.4m x W2.4m x H2.4m
- Internal Floor Area: • 5.76m²
- Entrance/Exit Size: • 0-1m Wide
- Fabrics: • PVC, rip stop nylon FR treated
- Colours: • White

Please Note: Information is correct at time of publication. Evolution Dome Ltd accept no responsibility for variations in dimensions or weights. Evolution Dome Ltd reserve the right to alter any dimensions or weights at any time without prior notice.

POWER & FANS

- Fans: • 1 x 1.5amp fan
- Min Secure Power: • 16amp C form 1ph OR 1 x 13amp
- Fan Weight: • 2kg per fan
- Fan Dimensions: • 250mm x 250mm x 150mm

Please Note: It is the responsibility of the client or site management to ensure that the power used for fans is secure and tested. The above power consumption is for fans only and covers no extra electrical items. No other item should be connected to the fan power lines. Evolution Dome Ltd accepts no responsibility for damages to equipment or damages to inflatable structures, injuries to persons, or loss of earnings due to electrical power faults.

INSTALLATION & DERIG

- Crew: • 1 persons (min)
- Set Up Time: • From 5 mins
- Inflation Time: • 5 mins for structure when fixed
- Derig Time: • From 5 mins

PRODUCT ENHANCEMENTS

- Branding - Temporary (Dacron stickers)/ Permanent / Printed Covers • Lighting • Flooring • All Spares of Basic Package

Please Note: Refer to separate later page for more detail on product enhancement. Please note the above technical data can be effected by additional product enhancements. Evolution Dome Ltd reserve the right to add or remove product enhancements from product range without prior notice.

Product Enhancement

Branding

Branding can be applied permanently to any of the inflatable structures at the source of production.

Temporary branding can be added as Dacron adhesive panels at any stage. Please note that not all artwork is suitable for printing on our structure range. It is advised sample artwork be supplied in an .eps format so we can advise the best solution. Full replaceable covers are available to the range. These can be branded and printed to ensure your structure matches your brand.

Bespoke colours and materials

All our structures are manufactured in ripstop nylon and reinforced PVC. As standard they are made in white and grey or fully white. Although a full colour range is available, this may alter lead times and costs.

Other materials are available and we are happy to discuss specific needs / projects and will advise on what we feel is the most appropriate solution. All fabrics are tested for performance of flammability for textiles used in the construction of marquees and similar textiles structures to standards: BS 7837:1996 / BS 5438:1989.

Lighting

As an optional extra we can provide internal LED lighting systems which will transform the look and feel of your inflatable structure. The ambient lighting effect can be either one colour change or mixed to produce your perfect environment.

Flooring

Flooring is available upon request and is offered to suit all event needs. We offer a hard wearing, plastic, snap lock flooring. This offers light weight flooring and ideal for grass and concrete. It can be further enhanced by adding a finishing carpet.

Transport

By its nature an inflatable structure packs down to considerably less than its inflated size. The largest of our range packs down to less than 2M³ which makes the structures ideal to store and use again. Each product will be supplied in its own storage bag and will be easily transported in an out of any venue.

Warranty

Evolution Dome offers a 12 month warranty on the manufacture process and materials if the user manual and install guides are followed. Due to the nature of weather and installation conditions, we reserve the right to carry out an onsite inspection and report which way the warranty will be met.
